REPORT NARRATIVE									

Origin:

On 06/21/15 at about 2319 hours, I was dispatched to a disturbance call in the 500 block of S. Freeman St. (West alley). The reporting party stated a male and female were involved in a verbal argument.

Officer's Observations and Actions:

As I was driving southbound down the west alley of 500 S. Freeman St. I saw a female at the exit to the alley waving her arms. Once I got closer to the subject, I recognized her as Althea Green (DOB: [REDACTED]) who I know from multiple contacts. I stopped my patrol vehicle and got out to approach Green. Green stated "It's about fucking time you showed up!" I told Green to have a seat on the curb and tell me what the problem was.

As Green was walking to sit on the curb I saw a male subject, later identified as [REDACTED], standing across the street. I saw a trash can tipped over and trash all over the road. I asked [REDACTED] to please take a seat where he was standing and I would talk to him after speaking with Green. I notified dispatch I was on a two subjects at S. Coast Hwy. and Missouri Ave. Later while reviewing notes for my report, I realized I was at S. Coast Hwy and Minnesota Ave not Missouri Ave.

While I was speaking with Green, Officer Esswein arrived on scene and I asked him to contact [REDACTED] and take his statement. Green told me she had just been in a verbal argument with [REDACTED] and the yelling had escalated but nothing physical had happened. Green had the distinct odor of an alcoholic beverage on her expelled breath and was slurring her speech. I asked Green for a driver license or identification card and Green provided me with her California ID card [REDACTED]. I asked Green if she had any warrants that she knew about and she stated "No, I don't have any warrants." I contacted OPD dispatch and provided them with Green's information to run a records check.

While waiting for a return on Green from dispatch I asked Green to move across the street where Officer Esswein and [REDACTED] were. Green complied and sat down on a low wall to the north of 602 S. Coast

Hwy (Oceanside Mortuary) and leaned against the building. A records check revealed Green had an active felony warrant, #SCN326335, issued on 02/19/15, by Judge Robert Kearney for violation of PC 245 (A)(4) - Assault with a deadly weapon, with no bail. (See attached abstract warrant).

I told Green to stand up and place her hands behind her back. Green stood up, stated "No", and attempted to walk away quickly westbound on Minnesota Ave. Officer Esswein and I told Green "Stop" but she continued to walk away. Officer Esswein grabbed Green's right arm and attempted to take her to the ground while I grabbed her left wrist. Green immediately pulled her arms into her body and used her body weight to fall to the ground. Officer Esswein and I told Green to take her hands out from under her body and she replied "No".

Officer Esswein called for an additional unit while Green began trying to move her body away from us. Officer Esswein reached under Green to try and get her right arm out from under her and I put my right knee on Green's lower back and my left hand on her left shoulder to hold her still. Green continued resisting and tried using her legs to push her body forward on the side walk. I saw Officer Esswein pull his right arm away from Green quickly and he stated "Do not bite me Althea." Officer Esswein and I again told Green to put her hands behind her back. I reached under Green's left should and grabbed onto her left wrist to try and bring her arm out. Green turned her head toward me, leaned towards my hand and snapped her teeth in what appeared to be an attempt to bite me.

Officer Esswein and I continued to give Green commands to bring her arms out and she stated "No". Officer Esswein delivered a knee strike to Green's upper right thigh as I pulled out my taser and removed the cartridge. Green continued to ignore commands and hold her hands together under her body. Officer Esswein then delivered three distraction blows to the lower right side of Green's back. She continued to keep her hands hidden underneath her body.

I told Green "Show me your hands or you will be tased." Green stated "I've had electricity before, I don't care." I warned Green two more times to comply with officers orders but she continued to resist having her arms brought around to her back. I drive stunned Green with my taser in the center of her upper back. Green yelled "Ow" and attempted to buck her body to knock the taser from her back. I again warned Green to remove her hands from under her body or I would use my taser on her again. Green still did not comply and I delivered another drive stun to the middle of her upper back.

Green finally let go of her hands and Officer Esswein was able to pull her right arm out from under her and place it in handcuffs. I told Green to bring her left hand to her back and she stated "No" while pulling her arm away from my hold. I told Green she would be tased again if she did not bring her arm out from under her. I placed my taser against her back and Green finally put her left arm behind her back and was handcuffed. Additional officers arrived on scene shortly after. Officer Esswein requested an FET for photographs and FET Medford arrived on scene.

Sergeant Morris attempted to obtain a statement from Green and she started to roll her body around on the ground and tried using her legs to crawl away. Officer Esswein told her to stop and she stated "I'm going to bang my head into the sidewalk if you guys don't let me go!" Officer Esswein put his hand

beneath Green's head to keep her from hitting it against the sidewalk and she tried to crawl away and started flailing her body around. Officer Esswein and I turned Green over onto her stomach and Officer Esswein maintained control of her body while I held her head down to keep her from hitting it into the ground. Sergeant Morris got his hobble from his patrol vehicle and we hobbled Green's feet to her handcuffs to keep her from getting hurt.

We attempted to carry her to Officer Esswein's patrol car and she started jerking her body around so that we could not carry her. I requested an ambulance to the scene to transport Green to the hospital. Oceanside Fire Department responded and placed Green on a gurney and put her in the ambulance. I rode with Green in the ambulance and Officer Esswein followed behind. While at the hospital Green stated "I'm going to fuck you guys up the next time I see you!" and "You guys are going to be working a desk job after I kick your asses!"

X-Rays were taken of Green's upper body where she had pain and the Doctor stated [REDACTED]. Officer Esswein interviewed Green in the hospital while I stepped just outside her room to update Sergeant Provence on the results of the X-Ray.

Green was later cleared from the hospital and Officer Esswein and I transported her to VDF and booked her into jail for her felony warrant and PC 69-Resisting arrest by use of force.

NARRATIVE

On 06-21-2015 at 2343 hours, I responded to a radio call for an FET at the 500 block of S. Freeman. When I arrived Field Supervisor Sergeant Morris and Officers Vincent, Wooten and Esswein were on scene detaining Althea Green. Green was being combative and uncooperative.

I took digital photographs of the area where Green was contacted on the north side of the Oceanside Mortuary on Missouri street. I then took overall photographs of trash debris from an overturned trash can on the roadway and of the area where Green had been contacted by OPD.

Field Evidence Technician: R Medford

ID Number: 853

Approved by:

I then met with Officer Vincent at Tri-City Hospital for photographs of Althea Green. Green was still being uncooperative and refused to allow me to photograph any possible injuries she may have. I took an identification photograph of Green. I also took a photograph of her left leg before she became uncooperative. I observed no visible injuries on Green.

At OPD I uploaded all photographs taken into OPD digital evidence.

INDIVIDUALS**REPORT NARRATIVE****ORIGIN:**

On 06-21-15 at about 2319 hours, I responded to a radio call of a male and female in a disturbance in the 500 block of S Tremont St.

OFFICERS OBSERVATIONS AND ACTIONS:

Upon arrival Officer Vincent was speaking with the female half (later identified as Althea Green). The male half (later identified as [REDACTED]) was on the south side of the street sitting down. I began speaking with [REDACTED] and received a statement from him. He stated there was no physical contact between the two and it was a verbal argument only. See [REDACTED] statement below for further details.

Dispatch notified Officer Vincent that Green had a felony warrant for PC 245(a)(4) - Assault with a deadly weapon. Officer Vincent told Green to stand up and place her hands behind her back. Green stood up and attempted to walk away from us. Officer Vincent and I told her to "stop" and she continued to try and get away. I grabbed her right arm and attempted to take her to the ground. Green pulled both arms to the front of her body and let her body weight take her to the ground on the sidewalk. Officer Vincent and I told her to give us her hands and she said "no". I called for additional units to respond. I reached my right arm underneath her body and attempted to pull her right arm out from under her body. She continued to resist and hold her hands together under her body. While my hand was grabbing onto her right hand, she opened her mouth and bit my right index finger. At this point I pulled my hands back out and told her again to put her arms behind her back. She said "no" and I delivered a knee strike to her upper right thigh. She continued to resist and would not show her hands. I then delivered three distraction blows with my closed right fist to the lower right side of her back. She continued to keep her hands hidden underneath her body.

Officer Vincent then said, "show me your hands or you will be tased." Green did not comply. Officer Vincent warned her two more times and Green did not comply. Vincent then drive stunned Green with her taser. Green yelled "ow" and told us not to taser her again. Vincent warned Green again and delivered another drive stun to Green upper back. Green finally let go of her hands and I was able to pull her right arm out from under her and place the right hand in handcuffs. Officer Vincent told Green to bring her left hand to her back and Green said "no". Officer Vincent stated if you don't give me your left arm you will be tased again. Green finally put her left arm behind her back and was handcuffed. Additional officers arrived on scene shortly after. Green had two bags that were still strapped around her shoulder. I did not feel that it was safe to unhandcuff her to take the bags off so I cut the two straps off of the bags to remove them from her.

Sergeant Morris attempted to receive a statement from Green and she started to crawl on the ground. I told her to stop and she said she would bang her head on the ground if we did not let her go. I placed my hand beneath her head to keep her from hitting her head and she tried to crawl away and started flailing her body around. Sergeant Morris got his hobble and we hobbled her feet to her handcuffs to keep her from getting hurt. We attempted to take her to the car and she flailed her body around so that we could not carry her. We requested an ambulance to the scene to transport Green to the hospital. Oceanside Fire Department responded and placed Green on a gurney and put her in the ambulance. Officer Vincent rode with Green in the ambulance and I followed behind. I stood by at the hospital with Officer Vincent to get Green medically cleared.

Green got x-rays taken of her upper body where she had pain and the Doctor stated [REDACTED]. I interviewed Green in the hospital and she stated that she was drinking at night and she fell and hit her ribs on a curb earlier in the night before police contact. See audio recording for further details.

INDIVIDUALS**REPORT NARRATIVE**

On 06/22/2015, at about 0007 hours, I responded to Minnesota Ave just east of South Coast Highway. I learned that Officer Vincent and Officer Esswein were involved in a Use of Force incident. Upon arriving on scene I was briefed about the incident by Sgt. Morris. The suspect, Althea Green, was already inside of an Oceanside Fire Department Ambulance. I saw several pieces of trash just east of the location. I did not see any physical evidence at the crime scene. I saw a video security camera at the business, Oceanside Mortuary, which might have captured the incident. I did not see any other cameras in the area.

The only witness, [REDACTED], was interviewed by Officer Wootten.

FET Medford responded to the scene and took overall photographs of the scene.

Green was transported to TriCity Medical Center for treatment.

Officer's Baray and Ruedi arrived on scene briefly, but left without taking any investigative action.

Officer Vincent's vehicle was driven to Fire Station 1 by OFD personnel while she rode in the ambulance with Green.

I responded to TCMC. I saw Green was on a gurney outside of the hospital. Green has a spit sock on her head. I began my audio recorder and contacted Green. I identified myself to Green. I read Green her Miranda rights. Green stated "Yes Sir, I do" when asked if she understood her rights. I asked Green what happened and she stated that she saw the police pull up and she was kicked in her stomach three times. Green continued to talk, but I could not understand what she said other than she was kicked. Green stated that she knew they were Police Officer's because she "saw them when they pulled up." She saw the Police cars and uniforms. She heard the Officer's tell her to sit down. She initially did sit down. Green then decided to leave when it looked like she was going to be arrested. Green knew that she was not suppose to leave. The Officer's told her to sit down again. Green did not comply. She got kicked three times in the stomach. She complained about her left leg being numb. I questioned Green about her kicking while she was on the ground. Green stated that she was kicking because she was in pain. Green was upset that she was being charged with new charge. I ultimately concluded the interview.

I later uploaded the audio recording of the interview into OPD Digital Evidence.

Officer Vincent stated that OFD personnel took Green out of maximum restraint while driving to the hospital.

FET Medford arrived at TCMC and attempted to take photographs of Green. Green allowed a few photographs, but refused to allow her back to be photographed.

Officer Vincent and Esswein were not injured.

Sgt. Morris stated that he has back pain from the altercation.

[REDACTED] Officer Esswein learned that Green had fallen earlier and that fall might have caused the [REDACTED].

INDIVIDUALS**REPORT NARRATIVE****ORIGIN:**

On 06/21/2015 at 2337 hours I responded to a request to cover officers who were on a radio call of a disturbance. The original call was for the area of 500 S. Freeman St. During the call Officers Esswein and Vincent contacted a female named Althea Green in the area of 500 Minnesota Ave (between S. Freeman St and S. Coast Hwy) and discovered she had a felony warrant for her arrest. Green became combative during the arrest process.

OFFICER'S OBSERVATIONS AND ACTIONS:

Upon my arrival I noted the following:

Green was in handcuffs on the south sidewalk of 500 Minnesota Avenue (next to the Oceanside Mortuary). Green was on her stomach and Officers Esswein and Vincent were holding her down, as she was squirming around and yelling unintelligible things. Green appeared to be intoxicated by her slurred speech and the odor of an alcoholic beverage emitting from her person.

Officer Esswein explained to me that force was used on Green prior to my arrival by him and Officer Vincent, to include a Taser in drive-stun mode. The officers told me they were not injured. Officer Esswein told me there was only one witness to the use-of-force: the boyfriend of Althea Green. Officer Wootten was already on-scene. I asked him to take a recorded statement from him - see Officer Wootten's report for further details.

Officer Esswein told me that there were two bags/purses connected to Green's arms by straps. The only way to take them off of her would be to un-handcuff Green and remove the straps or by cutting them off. Because of how combative Green was and her continued hostility, I told Officer Esswein to cut them off, which he did.

Green began threatening to bang her head against the concrete. At 2352 hours I turned on my digital recorder and captured one of Green's multiple threats to injure herself against the concrete. Officers Esswein and Vincent moved Green to a grassy area so she would not be able to injure herself as much. While moving her, Green thrashed around and made it difficult to control her. Officers Esswein and Vincent held Green down in the grass while I retrieved my cord cuff from my vehicle in order to place her in maximum restraints. I left my recorder on near Green while I was at my vehicle.

While she was on her stomach, I applied the cord cuff to Green's legs while Officers Esswein and Vincent held her down. During this process Green purposely stiffened her legs and made it difficult to bend them towards her back. I had to place one knee on the back of Green's upper leg while I pulled back on her lower legs. I was eventually able to overpower Green's resistance and connect the cord cuff to Green's handcuffs.

Officers Esswein, Vincent and I then attempted to carry Green to a patrol vehicle in order to take her to TCMC for a medical clearance for jail booking. However, Green began trashing around violently and moving her head up and down in a manner that would be struck on the door frame or other parts of the vehicle. Knowing she would most likely inflict a head injury to herself, I elected to have Green transported to TCMC via ambulance. OFD arrived and were able to transport Green without incident.
